Office of the President

March 2018

Dear Parents and Guardians,

Our number one priority has been, and always will be, offering a superior academic and spiritual education to our students that respects and reflects the investment you make to provide a private, Catholic education for your son or daughter. College acceptance was 100% at West Catholic Prep in 2017 and graduates earned \$15 million in college scholarships! Your investment in a West Catholic Prep education today is a down payment on your child's future.

Our new tuition rates for the 2018-19 school year are enclosed. You will notice this is an increase of just \$18.00 per-month over the current year's rate. We have worked very hard to review our budget in order to offer you our smallest tuition increase in recent history! We are confident our educational delivery will be even stronger next year with the modest increase.

If you are receiving scholarship or financial aid this year, we are committed to offering you that same amount next year, but only if you complete a 2018-19 financial aid application by March 15th. Should you not complete a 2018-19 financial aid application immediately, we reserve the right to redistribute your financial support to other families. Any families that are expecting to receive any financial support from the school in the 2018-19 school year, must complete a 2018-19 financial aid application. You must visit our website today to apply – www.westcatholic.org. You can also contact our Tuition Officer, Rita Vienazinidis, at rvienazinidis@westcatholic.org or 215-386-2244 or visit the tuition office at school between 7:30am and 3:30pm M-F, with any questions.

Be sure that you are receiving the weekly Parent Newsletters to keep updated on school matters. If you are not receiving these Newsletters, email Mrs. Lanza at klanza@westcatholic.org, to get on the list.

We never take for granted the investment that you make in your child and we have worked hard to minimize these increases this year. Please accept my gratitude for your continued confidence in our school and the lifelong value that a Catholic education provides.

Sincerely,

Paul Colistra
President
