Dear Parents and Guardians:

West Catholic Preparatory High School sets high standards for student achievement and helps each child to succeed using innovative teaching strategies. Our Catholic values prepare students to be future leaders by emphasizing moral development, respect of self and others, and the value of service. As a tuition charging school, we are very cognizant of the sacrifices that many families make to send your children to our school and work very hard to keep tuition as affordable as possible.

Our new tuition rates for the 2019-20 school year are enclosed. Thanks to our school benefactors, BLOCS and the Faith in the Future Foundation, the amount of financial aid and scholarships available to help families with this cost will be increasing again this year! If you have not already applied for financial aid, the application is online at the following web address: <https://online.factsmgt.com/aid>. **You will only receive financial aid if you apply, and you must re-apply each school year in order to receive it.**

The first billing of the new school year will occur in June 2019 and we will continue to use FACTS as our tuition processing company. There is an annual fee of \$42 for a monthly payment plan, \$10 for a semi-annual payment plan, and no charge if you make your payment in full for the year. If you sign up for and make payments automatically each month, a \$120 discount will be applied to your account when your balance is paid.

Please accept my gratitude for your continued confidence in our school and the lifelong value that a Catholic education provides.

Sincerely,

President
